

# DIRECTIONS FOR THE AUGUST MEETING AT JOE'S

Here are the directions to get to 909 Underhill Rd, East Aurora.

- 1.) Take the NYS Thruway to Route 400
- 2.) There are three East Aurora exits--Jamison Rd, Maple and Route 20A. Take the second one--Maple.
- 3.) Turn RIGHT on Maple. Go to the very end (1.9 miles). This intersection is Maple St. and has a traffic light.
- 4.) Turn RIGHT at the traffic light. Go about 200 feet to the next traffic light
- 5.) Turn LEFT at the light. This is Center Street.
- 6.) Proceed down Center 2.1 miles. You will leave the village.
- 7.) The first major crossroad you will come to after leaving the village is Sweet Rd. The East Aurora High School is on the corner--the right hand side
- 8.) Turn LEFT on Sweet. Go down the hill to the bottom of Sweet (.7 miles). Underhill Rd. begins at the bottom of the hill.
- 9.) Turn RIGHT on Underhill Rd. Actually, there is only one way you can turn, since Underhill Rd. begins at this point.
- 10.) The mailboxes are on the left-hand side of the road. 909 Underhill is the fifth one. The number is clearly visible on the mailbox. The driveway is opposite the mailbox. I emphasize "opposite" because it is easy to drive right by my driveway Eileen Nowak has suggested that I put balloons on the mailbox. In any case, don't look for the house, as it sits back about 500 feet and is difficult to see from the road
- 11.) If you do not come via the NYS Thruway and Route 400, no matter which direction you come from get to Main St. in the village of East Aurora. This is Route 20A, which goes to Orchard Park in one direction and Warsaw-Perry in the other direction. Go down Main St. until you come to Center St. There is a large stone church on the corner, as well as a traffic light. There are only six or seven traffic lights in the village. Then follow 6 above.

If these directions aren't clear, or if you get lost, give me a call at 655-9039
